

THE MARSHALL MINUTES

*****ILLINOIS CHURCHES GET ON BOARD TO HELP NEW CHURCH*****

NEW CHURCH PLANT Still planned for April 2009. We have met with Dr. Earl Jessup of Baptist Church Planting Ministries and several Illinois pastors who are interested in helping plant this church. They are getting behind us on this project. *We are marching forward with church planting . Please pray for us that God would bind Satan's hands in this matter.*

pair and will donate the time please let us know.

FAMILY AND MEPS

Everyone seems to be doing fine. Mike, Jr. is still short of funds for school and dropped out of sports this fall to work extra hours to meet those bills. Sarah is preparing for deputation as a missionary candidate to Panama with World Wide New Testament Baptist Missions. The MEPS ministry is under attack by radical left wing groups all over America. We are still serving there on an on call basis.

347th AIR FORCE RECRUITING SQUADRON

I now am responsible as the chaplain for a much larger new and improved squadron of over 8,900 square miles of recruiting personnel. This triples my Air Force ministry coverage area. I trained with the 347th this fall. See picture below with our new CO.

NEEDS FOR THE NEW CHURCH

Please pray for our new church needs. They are many. Contact us for a list if interested.

MEETING SITE

We really need prayer concerning the right meeting place. We are considering several sights.

VAN BODY WORK NEEDED

Our 1988 Ford van has much body work that needs to be done. If anyone knows somebody that does body re-

DEPUTATION PROGRESS AND HEALTH

DEPUTATION

We have been having some great meetings this fall and winter. We were pretty booked up through the first week in December and will become busy again in February and March of 2009. I have left a number of winter weeks open to deal with medical concerns and the church plant project.

mode of treatment under active surveillance. We are not allowing this to stop us but dealing with it and going on with the new church near Great Lakes. There is much work to be done.

HEALTH CONCERNS

I was recently diagnosed with prostate cancer in early stages. I had another biopsy done and now await a proper

ARMY RECRUITING BATTALION

I continue to meet the needs of the Army Recruiting Battalion on an on call basis. This basically means they call me when they need a chaplain.
